Publications for Public Sector Training

- Training Personnel for Cost Allocation Plans and Indirect Cost Studies, by James Buher and William E. Farquhar. Trains financial policy decision-makers in State and local jurisdictions by examining parameters relevant to establishing and maintaining an Indirect Cost Rate.
- Productivity and Program Evaluation in the Public Sector: An Annotated Bibliography, by Charles R. Wise and Orville Norton. Three sections discuss processes of program and productivity evaluation; activities by federal, state, and local governments; and the measurement of efficiency and effectiveness in public service areas.
- Evaluating the Impact of Public Programs: A Guide to Evaluative Research, by Lois Recascino Wise.
- Requesting Funding Support for Training: A Guide to Planning, Contacts, and Style, by D. Alix Martin and John S. Merritt.
- Evaluation Guidelines for Training Programs, by Kent Chabotar and Lawrence Lad.
- Assessment of Training Needs, by Edwin Leonard, Jr.
- Productivity and Program Evaluation, by Charles Wise and Eugene McGregor.
- What's What in Public-Sector Professional Associations: A National Guide, by Roy Jumper and Steve Gutnayer.

Prices: Each publication $10; orders for more than 25 copies of one title receive a 15% discount. Payment should accompany order and can be addressed to:
